LAWRENCE W. LOBB

TESTIMONIALS

“Larry was terrific in a very stressful and terrifying situation. He showed compassion, understanding and really worked for us. I would recommend him over any other lawyer that I have worked with in the past.” –Mary, Foreclosure Defense Client.

“Larry provided me with an effective process through Chapter 7 bankruptcy through his knowledge and communication of the process. With that knowledge, I was able to go through the Chapter 7 process successfully.” –Anonymous, Ch. 7 Bankruptcy Client

“I can’t say enough good things about Lawrence Lobb. He is so easy to talk to. Doesn’t look down his nose at you, treat you gruffly, or act like he’s too busy or important to answer ALL your questions, AND he is very, very knowledgeable. It can’t picture him getting on the bad side of anyone. He is a really personable, professional guy who knows the law and more. He took my worries away during a difficult time. His expectations were “on target” and encouraging about what he thought would be the outcome.” –Sharon, Collection Defense Client.
